

Services

We are one of Angola's largest and longest-established law firms. We offer a full-service and are regarded as a leader in all the major legal and industry sectors with specific expertise in the energy, mining, infrastructure and banking sectors. We have built a reputation servicing the needs of domestic and international clients. All our lawyers are fluent in Portuguese and English and most have trained or practiced with law firms outside of the country. We have a focus on quality of service and being the best technically to resolve our clients' needs in accordance with the highest ethical standards of the legal profession.

Our core expertise spans the following industry sectors:

- Oil & Gas
- Mining
- Infrastructure & Transport
- Utilities & Energy

In addition, we have recognised leading expertise in practices including:

- Banking & Insurance
- Employment
- Environmental
- Exchange Control
- Immigration
- Intellectual Property
- Litigation & Arbitration
- Mergers & Acquisitions
- Project Finance
- Public Procurement
- Regulatory
- Tax & Customs
- Technology, Media & Telecommunications
